Job Reference: Junior Flutter Developer / Intern

Dear Hiring Manager,

I am excited to apply for the Intern/Junior Flutter Developer position at your company. With a strong passion for mobile app development and experience in Flutter, I am eager to collaborate on your innovative projects and grow as a developer.

Your team's commitment to pushing the boundaries of app development aligns perfectly with my career goals. I'm eager to learn from your experienced developers and contribute to your mission. Thank you for considering my application. I've attached my resume for your review, and I look forward to the opportunity for further discussion.

I Know about :

- Flutter - Ui
- Firebase (authentication, realtime database, firestore)
- Basic Knowledge about Django
- Riverpod 2.0 State Management
